The musical, *Freaky Friday*, is based on the beloved 1972 novel by Mary Rodgers.

When an overworked mother and her teenage daughter magically swap bodies, they have just one day to put things right again. *Freaky Friday*, a new musical based on the celebrated novel by Mary Rodgers and the hit Disney films, is a heartfelt, comedic, and unexpectedly emotional update on an American classic. By spending a day in each other's shoes, Katherine and Ellie come to appreciate one another's struggles, learn self-acceptance, and realize the immeasurable love and mutual respect that bond a mother and daughter.

*Disney's Freaky Friday* is presented through special arrangement with Music Theatre International (MTI). All authorized performance materials are also supplied by MTI. [www.mtishows.com](http://www.mtishows.com)
